**Inspector Comment:**

Engineering Integrity inspection conducted on 6/16/2016 with a primary focus on flowlines associated with this well site. Details of observations made during this field inspection are available in the equipment/ flowline and housekeeping sections of this report. Last production reported December 2015. Shared battery location with API #069-06133. Photo's uploaded can be accessed via link(s) at end of report.
