Operator Comments:

Edge Energy LLC's ("Edge") approved Form 2 for the Flaherty 18-7-10NBH well ("the Well") has been contested by Bonanza Creek Energy Operating Co. via application for order to COGCC, Docket # 1067003004, thus delaying Edge's operations to commence drilling the Well. Edge has filed a motion to dismiss the application and is awaiting guidance from COGCC and/or hearing on the matter. Edge requests that the COGCC grant Edge an extension of the 6 month interim reclamation of the Flaherty 18-I Pad. Such reclamation to commence after Docket #160700304 is heard and finalized, but no later than 1/15/17. The surface owner, Mathew D. Flaherty is been consulted on 6/14/16 and has consented to the proposed extended interim reclamation date. Edge will maintain wellsite in good condition including stormwater controls and weed management mitigation (all weeds not just noxious).

I hereby certify all statements made in this form are, to the best of my knowledge, true, correct, and complete.
