Helen,

I went past the pit at the zimmerman/chamberlin recently and realized that it has not been backfilled.

Please make arrangements to properly abandon the pit to assure that it is not used by Oil and Gas operations or otherwise.

Pit facility 116724.

Please send notice of physical closure.

Good Morning, Mr. Neidel,

Attached are the Form 27 for the Alta Martin large pit and the blowdown pit at the Zimmerman-Chamberlain.

As discussed previously, we will begin the small pit at Alta Martin remediation in the spring.

Please let me know if you need anything else and I hope this email finds you well!

Helen Trujillo
