Dear Mr. Matt Lepore,

Red Hawk Petroleum, LLC ("Red Hawk") plans to drill the above-described wells (collectively, "Wells") in the referenced location(s), which are outside the surface drilling locations prescribed by the Colorado Oil and Gas Conservation Commission ("COGCC") under COGCC Rule 318A.a for oil and gas wells within the Greater Wattenberg Area ("GWA"). In addition Red Hawk would like to locate the wells more or less than the prescribed distance between wells as provided under COGCC Rule 318A.c. The locations for each well listed above are being permitted as exception locations. Red Hawk Petroleum, LLC has obtained written permission from the surface owner through a surface location waiver.

Red Hawk Petroleum, LLC respectfully requests that the COGCC review the enclosed information and approve the requested exception location waivers and application to drill the captioned wells.

Sincerely,

**Angie Galvan**
