COGCC Rule 306.e.(5): Operator Certification  
Thornton 28-H Pad: SWNW Section 28, Township 7 North, Range 66 West  
Weld County, Colorado**

Dear Mr. Lepore,

Bayswater Exploration & Production, LLC (Bayswater) has filed the Form 2A Oil and Gas Location Assessment (OGLA) for the proposed oil and gas pad referenced above.

Pursuant to COGCC Rule 305.c., Bayswater certifies that the required notifications to all Building Unit Owners within the Buffer Zone Setback were sent and was available for meeting and/or consultation. Bayswater did not receive any requests for meeting and/or consultation from any Building Unit Owners. This letter serves as Operator Certification that Bayswater has complied with COGCC Rule 306.e.

Bayswater respectfully requests the COGCC approve the Form 2A OGLA for the Thornton 28-H Pad. Many thanks for your consideration of this matter.

Respectfully,
