### **NFA Approval for Project/Remediation #9705 – Anacapa 32-31 - SWNE 31- 2N - 64W**

The COGCC has reviewed the NFA request for Project/Remediation #9705. Based on the information presented, the COGCC approves the NFA request and remediation #9705 is closed. However, should future conditions at the site indicate contaminant concentrations in soils exceeding COGCC standards or if ground water is found to be impacted, then further investigation and/or remediation activities may be required at the site. The surface area disturbed by the remediation activity shall be reclaimed in accordance with Rule 1003 interim reclamation requirements. If the location will no longer have active oil and gas operations, please comply with Rule 1004 Final Reclamation requirements.

Please retain a copy of this e-mail as verification of No Further Action required.
