RE: COGCC Rule 317.s Waiver Request
Bill Barrett Corporation's proposed CVR 5-63-32-6457C2
SHL: NWSW, Sec. 32, T5N-R63W, 6th P.M.

Dear Mr. J. Tyler Sims,

Bill Barrett Corporation (BBC) is proposing to drill the above referenced well. As currently planned, the wellbore of the Hergenreder 14-33U (API# 05-123-25197), which is operated by *PDC Energy Inc.*, is approximately 130 feet from the horizontal lateral of BBC's proposed well referenced above.

Rule 317.s of the COGCC rules and regulations does not allow horizontal wells to be drilled within 150 feet of another well unless this requirement is waived by the operator of the encroached upon well. BBC is respectfully requesting *PDC Energy Inc.* to waive Rule 317.s and consent to BBC's proposed well. If you have any questions please contact Matt Schwartz at (303) 312-8142 or maschwartz@billbarrettcorp.com or you may contact me at (303) 312-8188.

Sincerely,

Matt Barber

Matt Barber
Senior Permit Analyst

I (ERIK ROACH) hereby consent to the proposed well and waive the above
Operator Representative Name

Requirement for Rule 317.s effective the date executed below.

Signature: *Erik Roach*
