275780	WELL	SI	08/07/1976	OW	083-06155	GARRIS 1	UN

**General Comment:**

Inspection conducted using hand held Garmin to locate SI well location and then walking progressively wider circle to look for evidence of surface disturbance or oil and gas related debris. Area is partially covered in sage and other various native grasses and cleared area that is residential lot with house at the E end. No evidence above ground evidence of well and no debris was noted at time of inspection.

Comment: Well file indicates bond was released 6/25/1980. There is no record of well abandonment or approved plugging operation in file. Letter requesting well status was sent 9/20/1985. Additional correspondence attempts in 2/09 and 4/20 of 2016. While approvals and paperwork appear to not be complete in the well file the location is clear of any visible above ground indications of previous well. Area is revegetated to match surrounding and/or been encompassed into side yard area of residence.
