Dear Director:

The surface location of Noble Energy, Inc.'s (NEI) proposed well(s) has been staked outside of the 318A.a. drilling window per the surface owner's request. Therefore this location is being permitted as an exception location. NEI has obtained written permission contained in a consent, from the surface owner.

Noble respectfully requests that the COGCC review the subject request and approve the exception location associated with the noted Application for Permit to Drill the captioned well(s).

Respectfully,

*Susan Miller*
