Dear Mr. Bush:

RE: Corrective Action (CA) from Inspection Doc#680101013; Dated 8/2/2016

As per our meeting December 15, due to weather limitations your CA date has been extended to **May 31, 2017** by Margaret Ash Field Inspections Manager and Denise Arthur Reclamation supervisor. This e-mail will be uploaded to the well file.

Inspection CA as follows: Remove Debris from Location, Reclaim Associated Facilities (cut off, bury, remove as appropriate). Identify to Inspector if specific Facilities are servicing other Active Locations:

CA Date 9/12/2016.

Thank you

Lou
