Comment: [Complaint DOC#200440764](#). Area resident complained about noise coming from the frac on 12/16/16. OGCC inspector was on location on 12/19/16 and found that the frac had been completed on 12/18/16. Since the frac was complete no noise survey was run. All lights for the flowback were pointed inward and downward towards location. 18A DOC#200440788.
