**Field Inspector Actions:**  
 On 12-14-2016, I was contacted by Dave Kulman Deputy Director of the COGCC in reference to a complaint at the residence of the complainant Darren Champion at 428 Main St in Erie Colorado.  
  
 The complaint indicated in his complaint he was experiencing bright lights coming from the Erie Champlin 18-9 location. Upon speaking with him he said the lights were bothering him on his drive home in the evenings.  
  
 I performed a complete site inspection at locations. At the time of inspection all light appeared to be pointed toward the ground and toward the center of the location per COGCC rules. At the time of the inspection the lights were not in use. See inspection Doc #672500258 for attached photos of lighting at location.  
  
 At the time of inspection, I no violations of COGCC rules were observed.
