**COGCC Comments**

Comment	User	Date
39.900608/-102.923374 are the GPS coordinates listed on the scout card they but do not appear to be correct on the map because the well is east of the pit, not west. There is a sundry in the system, #2060308, from 2/27/2008 that also lists these same coordinates. Review coordinates.	ShermaSe	01/11/2017
