I went to Clerk and Records' and Assessors' Office. I speak with Seema Garoutte and find the owners of the two trailers on the Johnson and Stocker #1 lease. I speak with Clare Kerr and explain that the operator is not allow to keep extra equipment on a well lease according to Reg. 603(f) and if equipment is kept on a lease, a waiver is required from the Deputy Director (COGCC). She said that the trailers would be removed. I gave her 30 days.	duranj	12/30/2016
