RE: COGCC Rule 317.s Waiver Request
Bill Barrett Corporation's proposed CVR 5-63-32-4956B2
SHL: NWSW, Sec. 32, T5N-R63W, 6th P.M.

Dear Ms. Lesley Sachen,

Bill Barrett Corporation (BBC) is proposing to drill the above referenced well. As currently planned, the wellbore of the Hergenreder BB 32-16D (API# 05-123-21275), which is operated by *Noble Energy Inc.*, is approximately 84 feet from the horizontal lateral of BBC's proposed well referenced above.

Rule 317.s of the COGCC rules and regulations does not allow horizontal wells to be drilled within 150 feet of another well unless this requirement is waived by the operator of the encroached upon well. BBC is respectfully requesting *Synergy Resources Corporation* to waive Rule 317.s and consent to BBC's proposed well. If you have any questions please contact Matt Schwartz at (303) 312-8142 or maschwartz@billbarrettcorp.com or you may contact me at (303) 312-8511.

Sincerely,

A handwritten signature in cursive script that reads "Matt Barber".
