**Re: Costs Proposal for Little Hoot Gas Plant Reclamation Project**

Dear Sirs:

Transportation & Industrial Services, Inc. (TIS) is pleased to present this proposal to the Colorado Oil & Gas Conservation Commission (COGCC) to conduct site reclamation activities at the above referenced site in Logan County. The scope of work presented and resultant costs are based on information gathered from bid documents provided by the COGCC and previous work on the site. TIS closed the pit and removed piping on the site in May of 2007.

**Little Hoot Gas Plant Reclamation Project**

Tasks

1. Mobilize crew and equipment to site and perform utility locates at site using Colorado One Call and property owner's knowledge.
2. Excavate, size as necessary and bury concrete supports and pads as directed. Segregate topsoil, if possible. Compact excavations to prevent settling.
3. Demolish Quonset hut building using trackhoe. Load and haul demolition debris to Logan County Landfill.
4. Final grade disturbed areas to match existing topography and revegetate with seed mix recommended by local conversation district.
5. Final Cleanup and demobilize crew and equipment from site
