**General Comment:**

This is an Abandoned Location Inspection for Five Wells listed in Inspected Facilities above, on Loc#335542 in Garfield County; APDs first Approved 2006-2008 for Antero Resources; Permits Abandoned 2014 by Ursa. It does not appear that these AL Wells were drilled on Location with Five Producing Wells and One AL Well with Conductor Set; therefore these are Well Releases on an Active Location.
