General Comment:

This is an Abandoned Location Inspection for Eight Wells listed in Inspected Facilities above, on Loc#335538 in Garfield County; APDs first Approved 2007- 2009 for Antero Resources; Permits Abandoned 2014 by URSA. It does not appear that these AL Wells were drilled on Location with Eight Producing, Five XX and One AL Well with Conductor Set; therefore these are Well Releases on an Active Location.
