Hi Rick,

This afternoon PDC Energy discovered a reportable oil release within secondary containment at the Caraccioli 1. The release was from a damaged connection at the base of the production tank. Upon discovery the well was immediately shut in, a vac truck was called and current recovery efforts are mitigating impacts. Release location details follow:

- **Caraccioli 1**
- **Location ID: 322812**
- **Legal Location: SENE 2 5N65W**
- **Lat/Long: 40.42889, 104.62333**

Land owners will be notified before close of business today and a form 19 to follow shortly. If you have any questions, please let me know.

Thanks,

Zack
