I'll make a note in the well file to extend the expiration date to January 31, 2017.

Thanks,

Diane McCoy

Due to stakeholder relations request, we would like to plug this well during the holiday break of the adjacent Mead High School. However that puts us past our Form 6 expiration date. Therefore, I would like to request extension to the approved Form 6 through the end of January 2017. Please confirm your approval.

Thanks

Ryan

Ryan, can you please request an extension for the WATERFRONT 7-34X, we can't rig up till Christmas Break.

Thanks
