Hi, Miracle,

John Noto called me about Crestone's interest in proceeding with the approval of the Regnier Farms applications that have been on hold since June of 2015.

Would you please check with your management to determine if Encana is in agreement with the COGCC re-creating these forms under Crestone as operator? This would avoid the issue of a new comment period if Crestone submitted these applications.

Thank you,

Barbara,

The Regnier Farms applications are part of the sale agreement to be transferred to Crestone. Encana has no issue having these applications being transferred and recreated in Crestone's name.

Please let me know if you need anything else.

Thanks,

Miracle Pfister
