Nature of complaint: Noise

Field Inspector Actions:
 On 2-23--207, I was contacted by James Precup NE supervisor of the COGCC in reference to a noise complaint at the residence of the complainant Dawn Stein 1337 71st Street in Greeley.
 I attempted to contact he complaint on 2-24-2017 by phone to get further information about the complaint.
 I performed a complete site inspection of the location and reviewed drilling operations activities records at the location for the times the complaint experienced the noises indicated in the complaint.
