Re: Exception Location Requests to COGCC Rules 318A.a.:
McGirr & Northlight wells: NESE, Section 26, Township 5 North, Range 68 West, Larimer County, CO

Dear Mr. Lepore:

Extraction Oil & Gas, LLC (Extraction) is planning to drill the following horizontal wells:

McGirr 1C (Doc # 401086348), McGirr 12C (Doc # 401086436),
McGirr 2N (Doc # 401086358), Northlight 1C (Doc # 401086372),
McGirr 5N (Doc # 401086391), Northlight 2N (Doc # 401086379),
McGirr 6C (Doc # 401086402), Northlight 3N (Doc # 401086406),
McGirr 8N (Doc # 401086414), Northlight 4C (Doc # 401086425),
McGirr 11N (Doc # 401086430), Northlight 5N (Doc # 401086428)

The surface locations of Extraction's proposed wells have been staked outside of the COGCC Rule 318A.a. Greater Wattenberg Area (GWA) Drilling Window. The surface owner has waived Rule 318A.a. in the SUA which is highlighted on p.5 of the SUA attached to the APD.

Extraction respectfully requests the COGCC to review the enclosed information and approve the requested exception location to rule 318A.a. for the Applications for Permits to Drill for the wells on the subject pad. This is the best location for the wells since it will minimize the surface disturbance and put the wells as far away as possible from building units.

Sincerely,

Alyssa Andrews
