Nature of complaint: Noise/Lights/Odors

Field Inspector Actions:

On 4-3-2017, I was contacted by James Precup NE supervisor of the COGCC in reference to a complaint at the residence of the complainants Lisa Cloutier 6124 E 162nd Ave, Verra Clark 16123 Krameria Ct, and Laurie Jorgensen 6103 E 161st Ave, Brighton Colorado.

I attempted to make phone contact with the complainants but I did not receive any call back from any of the complainants.

I performed a complete site inspection of the location on 4-3-2017. At the time of inspection, I reviewed location records, which did not show any abnormal drilling conditions at the time of the complaints. All lighting on the rig were pointed down and toward the center of the location at the time of the inspection see inspections Doc#672500483 for attached photos of rig lighting. No odors were detected off the location at the time of the inspection.

All information reviewed and site inspection information were submitted to the complaint specialist for further review.

No violations of COGCC rules were observed at the time of the inspection.
