**General Comment:**

This is a final reclamation and stormwater inspection. Sundry Document #401074025 stated that Final Reclamation is complete and ready for inspection. Document #2288655 describes plugging operations on 4/30/2012. Any corrective actions from previous inspections that have not been addressed are still applicable.

Comment: Location ID 417932 with API 123-31793 appears to meet final reclamation regulations and standards. Unable to find evidence of oil and gas activities and/or disturbances. Vegetative growth appears reflective of reference areas with the addition of a bunch grass that was used in the seed mix.
