General Comment:

This is a construction and stormwater inspection in response to Form 42- Notice of construction- Document #401264644.

Location Construction

Location ID: 449800 CDP: _____

Comment: A disturbance area along the perimeter of the location of 6.75 acres was mapped on 5/2/2017 using a Trimble Juno 3B handheld device. An approximate 1.0 kilometer access road has been constructed from CR86 & CR25 and travels west to the location.

Berms	Pass					
Culverts	Pass					
Sediment Traps	Pass					
Ditches	Pass					

Comment: At the time of this inspection, stormwater and sediment control BMPs have been installed. It appears construction operations are still IN-PROCESS along the access road and well location. A water truck was at location to mitigate fugitive dust from operations. A follow up stormwater inspection will be conducted once construction operations have been completed. BMPs should remain in place and in proper functioning condition until the location reaches final reclamation.
