COGCC Received your Complaint

Column	Value
Date of Complaint	5/15/2017
Your Name	Peter
Your Address	345 Dusk Ct
Your City and State	Erie, CO
Your Zip Code	80516
Your Phone (Used only to follow up)	303-495-2780
Location of Concern	623-707 County Rd 10 1/2, Erie, CO 80516. Creekstone drilling pad near Woolley Becky Sosa Location and Morgan Hills Location in Erie
Do you know who the oil and gas company is? If so, please specify and if you contacted them already please indicate that and who you talked with.	Creekstone, I just spoke with their community relations person and they told me they had monitors in place and that the acceptable range was up to 70 db. My residence is a mile from this location and I am reading over 55 db which is keeping me up at night
Email Address	peter.sarinana@gmail.com
Would you like to answer additional optional questions related to the issues you are experiencing? If so, click the appropriate issue from the below list. If not, click "NO". Then click "Continue".	Noise
Is it noise you hear, noise you feel, or both?	Both
Do you know the source of the noise?	Hydraulic Fracturing Operation, Unknown
Is it continuous or intermittent?	Intermittent
Does the noise sound like any of the following?	Other
If other, specify.	Humming and intensifying resonance
When did the noise start?	5/6/2017
Is it happening right now?	Yes,
Noise Additional Comments (The more details the better)	From observations it appears that the most extensive noise generating operations occur consistently after midnight or around 2am and last through to morning
Is it happening right now?	Yes,

Detailed description of the issue or issues.	,Loud noises (sustained over 50 decibels) and sound resonance occurring after midnight for the paat week. Sounds are disrupting sleep as my bedroom window faces north toward sound. Why is this work occurring outside of daytime hours? please investigate and resolve.
Does the noise typically occur the same time of the day? If so, please specify the time (i.e. early morning, early evening, etc.)	Evening sometimes right at midnight or 2am
Type of Complaint (Click all that apply)	Noise
Detailed description of the issue or issues.	,Loud noises (sustained over 50 decibels) and sound resonance occurring after midnight for the paat week. Sounds are disrupting sleep as my bedroom window faces north toward sound. Why is this work occurring outside of daytime hours? please investigate and resolve.
Have you contacted any other agencies or local governments related to this issue or issues? If so, please provide details.	I previously submitted a complaint to COGCC but did not provide the proper operator names or location
In addition to noise, would you like to answer additional OPTIONAL questions related to another issue you are experiencing? If so, click the appropriate issue from the below list. If not, click "NO". Then click "Continue".	NO -- I JUST WANT TO SUBMIT NOW
What is your preferred method for the COGCC to communicate with you throughout the investigation? (Select all that apply)	e-mail
