Dear Sir:

We enclose approved copies of Oil and Gas Conservation Commission OGCC Form 10 that you recently signed during my visit to you on August 15th.

Please understand clearly that your signature on these forms means that you are the new operator of these wells according to the records of the Oil and Gas Commission. Consequently, you become responsible and liable for the operation and ultimate abandonment of these wells. We will anticipate and expect receipt of your bonds in the near future.

If you have any questions in this regard, please advise.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION
