**Operator Comments:**

Gunnison Energy would like to extend this pad by 30 feet and move well location by 30 feet in order to fit the rig on location without having to move tanks, separator and pig launcher. The only well location information that is changing is Surface Footage, everything else will stay the same. Updated Well Location Plat and Construction Layout drawings for the pad are attached.

I hereby certify all statements made in this form are, to the best of my knowledge, true, correct, and complete.
