437116	LAND APPLICATION SITE	AC			-		EI
438271	LAND APPLICATION SITE	CL	07/25/2015		-	Synerg Application site 438271	EI

General Comment:

Inspection of now closed land application site. Other operator (Ranchers Exp. Partners) had initiated discussions of use of same tract for land application of drill cuttings but did not follow through with application. Site is documented in attached photo to this inspection. Status of the facility created prior to submission of WMP and other documentation to be changed to AL based on inspection and other records.
