CORRECTIVE ACTIONS:

1 CA# 87598

Corrective Action: Remove pipeline riser, reclaim location, final reclamation will be conducted by a Reclamation Specialist

Date: 09/25/2017

Response: FACTUAL REVIEW REQUEST

Basis for Review: Equipment is not owned or controlled by the operator

Operator Comment: The pipeline riser does not belong to Citation Oil & Gas Corp. and because of this we are unable to remove it. The riser is property of Dcp-Midstream; Citation has sent letters in the past requesting that they remove the riser, but we have had no success. I am attaching a letter that was sent by Citation to Dcp-Midstream concerning the removal of the riser.

COGCC Decision: **Not Approved**

COGCC Representative: This FIRR was forwarded from C.Quint FI Supervisor on 9/5. This was then reviewed by the Reclamation Supervisor on 9/13.

COGCC Supervisor: The operator must comply with 1004 a. rule and ensure removal of the abandoned pipe riser occurs. The attached document does not indicate that the operator has continued to coordinate removal of the riser since 2013. Bond release will not occur until the site complies with the reclamation regulations.
