Mr. Pollart,

You and I met on the Fischer State location to discuss its reclamation several months ago along with the contractor, B.J Sittner, and your associate, Steve Freese.

Ryan Costa with the Oil and Gas Conservation Commission is requesting a signed waiver from the "Surface Owner" aka. You, to approve the leaving of the lease road intact as well as not disturbing the existing vegetation. (We will be seeding the bare spots as the weather allows)

I am hoping to meet somewhere convenient for you Monday the 10<sup>th</sup> as I make my way to Casper. Is this a possibility based on your schedule?

I look forward to seeing you then if we can.

Thank you,

*Mark Bottrell*
