Dear Mr. Ashby:

Reference is made to your letter dated January 10, 1961, concerning Bond #527455 (Harry C. Schleicher) in the amount of \$2500, for a well drilled for oil and gas (Himes #1), located in the NW $\frac{1}{4}$ of Section 10, T-9N, R-69W, 6th P.M., Larimer County, Colorado.

In accordance with the last correspondence we have received from the operators of subject well, a Mr. Willard C. Franks, Box 163, Briggsdale, Colorado, is now operating subject well. Although your subject bond is still in effect, it seems that the entire situation would be clarified with a new bond. We do not have a bond in the name of Mrs. Schleicher, as such.

If we can be of any further service in this matter, we will promptly cooperate with your pleasure.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION
