**Operator Comments:**

This Form 4 is being submitted to update the SHL, Deviated Drilling Plan and Cement and Casing Information.

As a result of this location SHL change this well will be drilled outside of the Rule 318A.a Window, please see attached waiver language in the attached SUA located on page 7.

Bonanza is utilizing new completions techniques that are rare to this area of the DJ basin where there are no previous horizontal wells that have been drilled and completed utilizing current technologies. With the lack of public historical knowledge of the area we would like our results to be kept confidential.
