1003a. Waste and Debris removed? _____

Comment Pipe debris identified on the well pad during the 2016 inspection is removed. However, pipe debris southwest of the project area, that was documented in the June 2016 inspections is still present. This is the second corrective action to remove pipe debris along the lease road. Surface pipeline was constructed since the last 2016 inspection. See attached photos.

Corrective Action Remove pipe debris.
