Operator Comment: Rule 1001.c Reclamation Variance/Waiver. Chesapeake will compile the necessary documentation for such a variance and submit for COGCC's consideration no later than 11/10/2017.

COGCC Decision: **Not Approved**

COGCC Representative: COGCC acknowledges the intent to pursue a variance. However, COGCC is unable to approve this resolution, as the response of "Corrective Action Complete" indicates that the corrective actions from the inspection report have been addressed.

Please note that until a variance request has been submitted, corrective action(s) and date(s) remain applicable. COGCC can not assume the Operator will submit a variance request. Until an official request has been submitted, COGCC will continue with business as usual, including follow-up inspections. Also, be aware that a submission for a variance request does not guarantee approval; corrective action(s) and action date(s) would remain applicable until resolved if request is denied.
