Status: SI**Complaint**Comment: Complaint #: 200444595Field Inspector Assigned: C PesickaWell Number: 05- Location #: 216893Inspection Document #: 684904677Nature of complaint: OdorIf Sound GPS Coordinates of Survey Location: n/aInspection Observations:

An inspection of the above location was conducted with a focus on odor. Odor was detected around the meter house. Operator was contacted and the well was shut in at the wellhead and the sales line. On site personnel speculate that the leak may be in the flowline from wellhead to meter house. An integrity test of the flowline should be performed before the well can be put back into production.
