A photograph of an oil field wellhead. The wellhead is constructed from tan-colored metal pipes and valves. A white identification sign is attached to the wellhead. The sign contains the following text: "BISON OIL & GAS, LLC", "303-481-2844", "Carraway - McCallan #1", "NW SE Sec 21, T4S, R64W", "Arapahoe County, Colorado", "1650 S Ulm St, Watkins, CO", and "In case of emergency, call 911". The wellhead is situated in a dry, grassy field. A blue valve actuator is visible on the right side of the wellhead. A white electrical control box is mounted on a vertical pipe to the left of the wellhead. The ground is dry and covered with sparse grass and small rocks. The lighting suggests it is daytime with shadows cast on the ground.
