

A photograph of a green metal meter shed in a field. A red arrow points to the shed with the text "No lease sign at meter shed". The shed is a small, green-painted metal box with a gabled roof. It sits on a concrete pad. A white pipe with a red cap extends from the bottom of the shed. A tall antenna is mounted on the roof. The background is a flat, open field under a blue sky with clouds.

No lease sign
at meter shed

Tubing valve open at wellhead

Debris laying around
location

Water leg
not connected
to tank

Water tank with no berms

Tank has ~2' of fluid
