Teri,

I did a bit more research and found an appropriate name/operator number. It turns out it was "Thunder River". I submitted a Form 10 Operator Change based on the data I could gather.

Thanks for your input.

Lorne-

Without TRP Wildcat being set up as an operator we cannot transfer ownership of this location. and thus cannot remove Laramie from responsibility.

Please let me know if you have any other questions.

Regards,

Teri

Teri,

We are trying to remove ourselves from responsibility for Reclamation at this location given the fact that we sold it to TRP Wildcat in 2013. I cannot submit the Form 10 to address the new ownership since TRP Wildcat does not have an Operator Number that I am aware of.

Please take a look at the attached documents and give me a call when you can.

Thanks,

Lorne
