**Re: Notice of Disposal Application**

Owner:

Chevron, as operator of the Rangely Weber Sands Unit, is applying with the Colorado Oil and Gas Conservation Commission to operate a dedicated injection well in Section 26, Township 2 North, Range 103 West, Rio Blanco County, Colorado. The application's proposed injection zone is the Navajo formation with a total vertical depth of 4,671'.

Any person who would be directly and adversely affect or aggrieved by the authorization of the underground disposal into the proposed injection zone may file, within 15 days of notification, a written request for a public hearing before the Commission, provided such request meets the protest requirements specified in COGCC Rule 325 m.

Additional information on the operation of the proposed disposal well may be obtained at the Commission office.

Best Regards,

Noel Veneracion  
Land Representative
