Comment: [Inspection #682502438](#) documented required operator to reclaim access road including re-grading, recontouring and revegetation. Access road appears to have been recontoured/regraded and additional topsoil had been brought onto road. Unable to find evidence that access road had been re-seeded per the corrective action. Original corrective action has not been addressed and remains applicable.

Corrective Action:	Perform reclamation on the access road in accordance to COGCC 1000 series reclamation rules including, but not limited to revegetation. Collaborate with the surface owner to determine a seed mix. Revegetation activities shall completed no later than November 15th, 2017	Date	11/15/2017
Overall Final Reclamation	Fail	Well Release on Active Location	<input type="checkbox"/>
		Multi-Well Location	<input type="checkbox"/>
