**RE: Exception Location Request Rule 318A.a.(1) and 318A.c.(1)**

Dear Mr. Lepore:

Please let this letter serve as a request for administrative approval of exception locations for the captioned oil and gas wells.

Verdad Resources ("Verdad") proposes to drill the above referenced wells at a surface location outside a legal drilling window as defined by Rule 318A.a.(1). and at a surface location further than 50' from an existing well as defined by Rule 318A.c.(1).

Waivers of rules 318A.a.(1) and 318A.c.(1) by the surface owner can be found under Item 8 on page 3 of our signed Memorandum of Surface Use Agreement for this pad.

Thank you for your assistance in this matter.
