Chris Binschus
Reclamation Specialist, COGCC

COLORADO
Oil & Gas Conservation
Commission

Department of Natural Resources

Inspection Photos

Location Name: TSUZUKI #1

Location ID: 319769

Photo 1. Google Earth aerial imagery taken 10/9/2015 illustrating the well and battery location, and access road during operations. There is no current aerial imagery available; however, all the equipment shown in the above image has all been removed. Appears the adjacent lands to the north are cropland and currently appear to be planted with winter wheat.
