Abigail:

Weld County does not have any issues with the COGCC Director granting a comment period waiver for the drill pad/drilling permits for this re-entry. -Troy

**Subject:** Rule 305.c Waiver of Comment Period Request

Good morning Mr. Swain,

Attached please find Bison's draft plats and COGCC Rule 303.I.(2): Expedited Approval Request Due to Exigent Circumstances letter to the Director concerning the Form 2A and Form 2 for the De Ford #1 Intersect Well in NESE of Section 19, Township 8 North, Range 59 West. Due to the exigent circumstances pertaining to our attempt to re-enter the De Ford #1 well and the fact that there are no building units within 1000' of this location and the surface owner has waived Rule 305.c, Completeness determination and comment period notifications, Bison respectfully requests that you waive Rule 305.c as well.

If you agree to waive the comment period, please respond to my email letting me know if you would like to waive the comment period directly on the Form 2A and Form 2 or if you would like to waive Rule 305.c via email correspondence. Bison is currently waiting on completed exhibits from their consultants, but plans to submit the referenced Form 2A and Form 2 in the next 24 hours.

Please feel free to contact me with any additional questions or concerns.

Thank you,

Abigail Wenk
