Subject: Well Replugs 3N-62W Sections 4 (W2) and 5

Mike,

Thank you for granting permission for our crews to access the following wells by coming off of CR 386 through Lost Creek:

Section 4-3N-62W:

Crystal State 13-4	NWSW	API#123-09414
State 1-4	SESW	API#123-09837

Section 5-3N-62W

UPRR 5-1	SENW	API#123-09735
Crystal –Amoco 24-5	SESW	API#123-09256
Lost Creek Development 20	SESE	API#123-22555

The replugging of these previously plugged wells is being conducted pursuant to the Horizontal Offset – Statewide Interim Policy issued by the Colorado Oil and Gas Conservation Commission on June 20, 2013, and February 10, 2014. We anticipate commencing these operations immediately and will be coordinating the access with Brad Peterson at Lost Creek Land and Cattle Co.

Let me know if you have any questions. Thank you for your help with the access.

Jeff Fandrich, CPL
