Operator Comment: Due to businesses and other industrial operations surrounding the wellhead and production facility, the wellhead is not accessed directly from the production facility. Wellhead access from the production facility is as follows:

- Head north ½ block to 30th street,
- Head west on 30th street to the second building on the left, Currently Becker's Safety and Supply,
- Head south into the southwest corner of the parking lot,
- Exit vehicle, walk about approximately 30 feet to southwest to the wellhead access gate.

The vehicle access with weeds in question is not PDC's access easement and is not used to access the wellhead.
