Dear Mr. Goldstein:

Re: Jacob Goldstein and Morris Replin
dba J and L Drilling Co. - Bond of
Oil and Gas Operator for Drilling
Operations, State of Colorado
168978-6952 \$5000 12-11-51

We have received a letter dated June 23 from the Ritter
General Agency concerning the above captioned bond, in which
they state that Mr. Morris Replin has sold out his interest
in the J and L Drilling Company.

Since he was a co-signer of the bond with you, the bonding
company desires to terminate the old bond. However, before the
old bond can be terminated, it will be necessary for you, or
whoever remains in interest of the J and L Drilling Company wells,
to furnish a new bond.

Will you please inform me of your wishes in this matter.

Sincerely yours,

Director.
