Dear Director Lepore:

Please let this letter serve as a request for administrative approval of exception locations for the captioned oil and gas wells.

Verdad Resources ("Verdad") proposes to drill the above referenced well at a surface location outside a legal drilling window as defined by Rule 318A.a.(1). and at a surface location further than 50' from an existing well as defined by Rule 318A.c.(1).

Waivers of rules 318A.a.(1) and 318A.c.(1) signed by the surface owner can be found under Section 9 on p. 4 of the Surface Use Agreement submitted with the application to drill these wells on file with the COGCC.

Thank you for your assistance in this matter. If you have any questions or comments, please contact me at 720-651-8409.

Kind Regards,
