CORRECTIVE ACTIONS:

1 CA# 113431

Corrective Action: This is the second corrective action for weeds in the project area. Control infestation of knapweed within the project area. Initial corrective action date will remain to document time since original corrective action.

Date: 06/15/2017

Response: CA COMPLETED Date of Completion: 04/25/2017

In response to Inspection #680601453 dated as submitted 4/20/2017 BP dispatch the profession weed

Operator Comment: management contractor to location to manually remove the Russian Knapweed noted in the inspection as well as any other noxious weed species present at that point in time. See attached document of manual removal photos dated 4/25/17. In addition the Federal Land Bank B 2 location interim reclamation area was treated with herbicide on 6/30/17 and again on 9/1/17 for Russian Knapweed. This location is on the priority weed treatment list due to the presence of Russian Knapweed and will be treated 2 times each year in the spring and fall which is the recommendations. In consulting with professional weed control companies BP has been advised that control of Russian Knapweed is documented in research documents to take up to 3 years or longer to eradicate. The development of the priority list will assist in assuring treatment is appropriate, tracked and continued 2 times per year.
